FEATURES

Dura-Drive® Induction Motor

The long-lasting, Dura-Drive® induction motor features jam-busting torque to power through every day food scraps.

Rugged Construction

Galvanized steel grind components provide reliable, long-lasting performance.

3D Grind Zone

Specially engineered grind chamber that keeps food in the grind zone and directs water to rinse chamber walls clean.

Jam-Buster Wrench

A quick, effective tool included to help free simple jams.

Lift & Latch® Technology

Simplifies installation by eliminating the challenge of having to hold the disposal with one hand while adjusting the mounting ring with the other hand.

Assembled in USA

The ONLY garbage disposals invented, designed, and assembled in the USA

See how easy it is to install an InSinkErator® disposal with Lift & Latch® Technology
